

The Top 50 Most Powerful Women in Oil and Gas announced by the National Diversity Council

The 2014 Top 50 Most Powerful Women in Oil and Gas features the highest-ranking female executive leadership in America's corporations.

HOUSTON-The National Diversity Council announces the 2014 Top 50 Most Powerful Women in Oil and Gas, a definitive list of female executives, influencers and achievers impacting the oil and gas industry.

"The 2014 Top 50 Most Powerful Women in Oil and Gas features the highest caliber of executive leadership within this industry," said Dennis Kennedy, founder and CEO of the National Diversity Council. "The NDC is honored to feature such a powerful group of inspirational women reaching new heights of achievement in business."

Selection to the list was based on the following criteria:

- Top leader in her organization and profession
- Directly contributes to business growth or strategic direction of the organization
- Maintains a record of accomplishments in areas of expertise
- Effective role model who inspires other women and is active in mentoring the next generation of women in the industry
- Operates with the highest integrity and ethical behavior
- Demonstrates a commitment to corporate citizenship
